

Love Spell Candle

Attract New Love Spell

1. Light your candle.
2. On a piece of paper, write down the characteristics you're attracted to in a list with your name next to it.
3. Draw a circle around everything.
4. Visualize the love and happiness you wish to share with a partner.
5. Speak positive affirmations of love like "I give my heart, ready to receive the heart of another."
6. Extinguish the candle flame if it did not burn out yet.
7. Stick your paper in your purse or wallet.

Love Spell Candle

Enhance your Current Love Spell

1. Light your candle with your partner.
2. Take hold of your partner's hands and hold them gently. Look each other in the eyes passionately.
3. Take turns speaking out loud about what you love about each other. While doing so, have each person imagine a light around the other getting brighter and stronger.
4. After a few rounds, tell each other you love them, then speak this affirmation "My love for you is abundant."
5. Extinguish the candle flame if it did not burn out yet.
