

Protection Spell Candle

1. Think of the person you wish to remove from your life or what you wish to protect yourself from.
2. Light your candle.
3. Sprinkle salt around your candle and say, "Let this salt absorb the bad and protect from the negative. I ask the Universe to bless this home and myself and fill it with light and love."
4. Visualize a bright white light surrounding yourself.
5. Extinguish the candle flame if it did not burn out yet.
6. Leave the salt for 48 hours, then throw it away.
